

calender_queue::dequeue

```
graph LR; A[calender_queue::dequeue] --> B[node::getTime]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'calender_queue::dequeue'. The right box is white with a black border and contains the text 'node::getTime'. A dark blue arrow points from the right side of the left box to the left side of the right box.

node::getTime
